Saturday, Feb 4, 6-9 pm: “A Teaching on the Arising of the 5 Poisons (Desire, Anger, Ignorance, Pride, Jealousy) and External Disturbances.” This is a very rare and precious opportunity to receive a teaching and be in the presence of the Bhutan Oracle Lama Chokhyong. He is deeply trusted by great lamas and dignitaries and typically remains in retreat.

When you see holy beings' relics, consider 'these holy beings are benefiting us by emanating relics that enable us to accumulate merit and purify negativities, thereby leading us to liberation and enlightenment!'

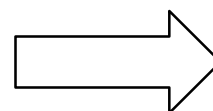

Following the teaching will be time for Q & A on topic related to living in the world today.

SUNDAY, Feb 5, 2012, 2-4 pm, A Teaching on Healing Puja:

Urgyen Menal (Padmasambhava as Medicine Buddha, the Unsurpassable Great Healer of Mind) From the New Treasurer of Dudjom. A Healing Puja to accomplish healing for the participants and to benefit all sentient beings. **Healing Puja** (Sanskrit & Pali: *puja*) are expressions of "honor, worship, and devotional attention." Acts of puja include bowing, making offerings and chanting. *"In the Degenerate age when life span is short, diseases are many and fierce epidemics attack suddenly or, if one suffers from the fear of losing one's life, one should accomplish the practice of Urgyen Menla."* (From the speech of His Holiness Dudjom Rinpoche) By the authorization and practice of the Deity Urgyen Menla, the special accomplishments and Buddha activities of healing can be achieved allowing practitioners to enact actual healing and benefits for all sentient beings.

Druk Lama Chokhyong, Bhutan Oracle short bio:

Druk Lama Chokhyong has studied and completed his training during a fourteen year period under his root Guru, Lama Norbu Wangchuk Rinpoche, a well known Master from Rahon Shedra (University). Lama Chokhyong is the well known Bhuton Oracle for many high lamas of the ancient (Nyingmapa) sect since forty years.

Druk Chokhyong is well versed in Mindrolling and Dudjom Tersar training and has come to America to both guide and assist Lama Rangbar Nyimai Ozer in the prophesied Maha Bodhivastu Mandala of The New World Peace project slated to be established in New York State, a World Peace project designed to align all peoples on this earth towards peace and economic prosperity.

Lama Rangar short bio:

Lama Rangbar is a Mantra lineage holder trained in the Tibetan Vajrayana Buddhist tradition of the four miraculous activities over the past 30 years. Lama Rangbar exemplifies the transfer of eastern Wisdom to Western mind. His teachings are always fresh and up to date yet solidly based on the unerring authenticity of ancient school (Nyingmapa) Vajrayana tradition. His presentation of the teachings is warm, playful and invigorating. Lama has returned to the USA after 20 years of living and practicing in Nepal in order to establish one of the most important monumental peace projects of our times, The Maha Bodhivastu and the Universal Heart Support stupa. He has also established several environmental organizations in the fields of solar energy, electric vehicles, poverty reduction for remote areas and vital service provision. He is the Founder of The Himalayan Light Foundation, Lotus Energy, Eco-Visions, and Clean Environmental Products International as well as the Bodhivastu Foundation for Enlightened Activity.
